Format for *World Journal of Gastroenterology* editorial

• EDITORIAL •

Mechanisms for amplified mediator release from colonic mast cells: Implications for interstitial inflammatory diseases

Running title: Activation of colonic mast cells

Kim E. Barrett

Kim E. Barrett, Division of Gastroenterology, Department of Medicine, University of California, San Diego, School of Medicine, San Diego, CA 92103, USA

Supported by the grants from the National Institutes of Health, USA (DK33491 and AT01180) and the Crohn's and Colitis Foundation of America
